The Ford Galaxie is a full-sized car that was built in the United States of America by Ford for model years 1959 through to 1974. The name was used for the top models in Ford's full-size range from 1958 until 1961, in a marketing attempt to appeal to the excitement surrounding the Space Race. For 1962, all full-size Fords wore the Galaxie badge, with "500" and "500/XL" denoting the higher series.
