Students in a large multi-sectioned undergraduate course were given multiple-choice quizzes across the duration of the course. • Information tested on the quizzes was learned better, as reflected by final exam performance, than information not quizzed.

### Multiple-choice testing as a desirable difficulty in the ...

I try hard to avoid the 'hidden gem' golfing cliché. For starters, there will be countless golfers that are already well aware of the delights on offer at Piltdown Golf Club in East Sussex, and, no doubt, the lovely courses at nearby Crowborough Beacon and Royal Ashdown Forest that make up this glorious triumvirate of heathland classics. I will concede that there are better known courses ...

If you're an educator, you may know all about giving your students an assessment at the end of a unit: that way, you can gauge how much they know and see what they still don't understand. But how can you tell how much of a difference your teaching has actually made? Did they come into this unit ...

Education in the United States is provided in public, private, and home schools.. State governments set overall educational standards, often mandate standardized tests for K-12 public school systems and supervise, usually through a board of regents, state colleges, and universities. The bulk of the \$1.3 trillion in funding comes from state and local governments, with federal funding ...
