For all UK students you should now use the New A-level guides below. At the bottom of the page I have left the old syllabus notes as I think they are more useful for the international EDXCEL A-level Chemistry course. They were not written for the international course though. New A-level 2015 The revision guides...

The primary source of information about books on railway history is George Ottley's monumental bibliography, with its two supplements (no serious public library can claim to be that if Ottley is not available). Jack Simmons' overall evaluative surveys of the literature (both in his own books and in the Oxford Companion - Ottley is mainly non-evaluative) are also useful, but Simmons was less ...
