A Forest Of Signs Art

A Forest of Signs documents a major exhibition of critical art in the last decade, one that marks a change in the art world, perhaps even in the broader culture. The thread of representation ties together the work of the 30 artists included in the book, encompassing such issues as allegory, appropriation, and commodification, the role of the artist, and the functions of authorship and originality in vesting meaning in art.

A Forest Of Signs: Art In the Crisis of Representation ...

A Forest of Signs: Art in the Crisis of Representation. The work of 30 artists including Barbara Bloom, Jenny Holzer, Jeff Koons, Sherrie Levine and Richard Prince who have reshaped the American art scene since the late 1970s was presented in this major exhibition, whose title refers to the multiplicity of signs that represent the world and to the artists' attempts to examine how these representations function; accompanied by a catalogue.

The title of the exhibition refers to "forest" of signs and symbols that define contemporary culture: the flow of images from films, billboards, bus benches, magazines, television and art itself that are with us daily. These images come to represent a new reality in their own right -- a reality that we seek to enter and imitate in our own lives."
