As late as the 1940s, it was considered impossible to operate on the heart of a living patient. The tremendous advances made in cardiovascular surgery since that time are the work of many great physicians, but in this history, a few great names stick out, including those of Dr. Denton Cooley and Dr. Michael DeBakey. While still an intern, Dr. Cooley participated in the first "blue baby ...

vol 6 pg 1. A Philosophy of Education Book 1. Introduction. These are anxious days for all who are engaged in education. We rejoiced in the fortitude, valour and devotion shown by our men in the War and recognize that these things are due to the Schools as well as to the fact that England still breeds "very valiant creatures."
