Summary of the Work. In the Treatise Keynes drew a distinction between savings and investment, arguing that where saving exceeded investment, recession would occur. Thus, Keynes reasoned that during a depression the best course of action would be to promote spending and to discourage saving. Keynes most notably clarified his Theory of Money in catty dialog with other famous economists of the ...

Chapter 2 Of the State of Nature 4. To understand political power aright, and derive it from its original, we must consider what estate all men are naturally in, and that is, a state of perfect freedom to order their actions, and dispose of their possessions and persons as they think fit, within the bounds of the law of Nature, without asking leave or depending upon the will of any other man.

### **John Locke's Second Treatise on Government**

From the outset, Locke openly declared the remarkable theme of his political theory: in order to preserve the public good, the central function of government must be the protection of private property. (2nd Treatise §3) Consider how human social life begins, in a hypothetical state of nature: Each individual is perfectly equal with every other, and all have the absolute liberty to act as they ...

The First Treatise is a criticism of Robert Filmer's Patriarcha, which argues in support of the divine right of kings. According to Locke, Filmer cannot be correct because his theory holds that every man is born a slave to the natural born kings. Locke refuses to accept such a theory because of ...

S/N ratio vs. exposure, and Dynamic Range: Having measured the read noise and the gain, one can plot the signal-to-noise ratio versus signal at various ISO to get an idea of image quality in various exposure zones and ISO gains. At signal S, the combined read and shot noise are  $N = \sqrt{R^2 + S/g}$  At low signal, the read noise is more important; the noise is approximately constant and so S/N ...

John Locke (b. 1632, d. 1704) was a British philosopher, Oxford academic and medical researcher. Locke's monumental An Essay Concerning Human Understanding (1689) is one of the first great defenses of modern empiricism and concerns itself with determining the limits of human understanding in respect to a wide spectrum of topics. It thus tells us in some detail what one can legitimately claim ...
