It's not just the British that pronounce "z" as "zed". The vast majority of the English speaking world does this. The primary exception, of course, is in the United States where "z" is pronounced "zee". The British and others pronounce "z", "zed", owing to the origin of ...

Why Do the British Pronounce "Z" as "Zed"? - Today I Found Out

The Indian Health Service (IHS), an agency within the Department of Health and Human Services, is responsible for providing federal health services to American Indians and Alaska Natives. The provision of health services to members of federally-recognized Tribes grew out of the special government-to-government relationship between the federal government and Indian Tribes.
