Allergy Relief Using Acupressure To

Dr. Nambudripad exposes the truth behind the many health problems plaguing people today. Dr. Nambudripad gives a new definition for allergies and a deeper understanding of how our bodies relate to or retreat from the millions of natural and artificial substances around us.

NAMBUDRIPAD'S ALLERGY ELIMINATION TECHNIQUES

Nambudripad's Allergy Elimination Techniques (NAET) are a form of alternative medicine which proponents claim can treat allergies and related disorders. The techniques were devised by Devi Nambudripad, a California-based chiropractor and acupuncturist, in 1983, drawing on a combination of ideas from applied kinesiology, acupuncture, acupressure, nutritional management and chiropractic methods.

An SPG block is a process to stop the pain diffusion through anesthesia to the nerve. The SPG block is an application of local anesthesia on to the collection of nerves in the ganglion. A SPG block may be performed to the patients experiencing pain due to acute or chronic migraines, acute cluster headaches and with other variant facial neuralgia's.

Sphenopalatine Ganglion Block for Migraine Relief

When a stuffy nose hits, it feels like breathing clearly and easily may never come again. Allergies, colds, and even changes in weather can leave our sinuses blocked, with medicine seeming like the only option. But don't break out the medication just yet — relieving the pressure of a stuffy nose, a stuffy head, and stuffy ears can be as easy as touching a pressure point.
