I recently came across a video\* of Warren Buffett talking to a few B-School students on his trip to India in 2011. The host asked him this question - What exactly goes through your mind when you're actually making an investment? Buffett's reply to this question was brilliant for it contained the crux of everything [...]

What does 'Finance' cover? Finance case studies cover the strategic approach to finance (e.g. setting financial objectives) as well as tools for analysing financial data in the business.

### **Finance business case study list | Business Case Studies**

Business Case Study Ethics. We can write case studies in business society and ethics in a particularly ethically way. We don't copy text word for word when filling out a case study on business ethics. We also make sure to point out what sort of things would fix the problems inherent in the events investigated by a business ethic case study.
