

Aspergers And Family Relationships

Aspergers And Family Relationships

Home. Few dare speak the truth about people with Asperger's Syndrome (AS) (now classified as part of ASD, or "autism spectrum disorder"). When the truth comes out, a militant mob is mobilized. Their goal is to pummel the truth-tellers into silence, which leaves their partners and others without the information and support they need.

Heartless Aspergers

SEXUAL RELATIONSHIPS Sexuality on the autism spectrum. Autistic adults have, in general, differences in sexuality from the norm. Many more are asexual than in the average population.
