Batman Contagion

"Contagion" is the name of a story arc that ran through the various Batman family comic book series. It concerns the outbreak of a lethal disease in Gotham City, and Batman's attempts to combat it. The events of this story lead into "Batman: Legacy" and "Batman: Cataclysm", which itself leads into "Batman: No Man's Land". It ran from March through April 1996.

Batman: Contagion - Wikipedia

"Cataclysm" is an 18 chapter DC Comics crossover story arc that ran through the various Batman family comics from March to May, 1998. The plot of the storyline centers on Gotham City being hit by a massive earthquake, the epicenter of which is less than a mile from Wayne Manor. In the wake of the destruction, Batman and his allies join the frantic rescue efforts around the devastated city ...

So who are these mysterious benefactors? It's still too early in Star Trek: Discovery season 2 for anything but speculation, but we hit on an interesting theory that connects the red angels to the Iconians, an "extinct" alien race introduced in the The Next Generation episode "Contagion." This mysterious race of aliens left behind technology that would reappear on an episode of Star ...
