In ancient Greek philosophy, especially that of Aristotle, the golden mean or golden middle way is the desirable middle between two extremes, one of excess and the other of deficiency.. For example, in the Aristotelian view, courage is a virtue, but if taken to excess would manifest as recklessness, and, in deficiency, cowardice. To the Greek mentality, it was an attribute of beauty.

While the general Western consensus on broken objects is that they have lost their value, practitioners and admirers of kintsugi believe that neverending consumerism is not a spiritually rewarding experience.. The kintsugi method conveys a philosophy not of replacement, but of awe, reverence, and restoration. The gold-filled cracks of a once-broken item are a testament to its history.
