Bee Pollen, Royal Jelly, Propolis and Raw Honey Products

If honey is the carbohydrates, pollen are the proteins and propolis is the immune system, then royal jelly is the superfood of the hive. This is the substance the hive uses to create the queen bee. Within the first three days of development, all larvae are fed royal jelly.

Striking Health Benefits of Bee Propolis and Royal Jelly

Royal jelly is a nutritious food that is produced by bees by consuming plenty of pollen and honey and by secreting it from their hypopharyngeal glands. Worker bees use royal jelly to feed queen bee and its babies. The baby bee which is fed with royal jelly matures quickly.

Propolis - Royal Jelly - Pollen | PROPOLIS ... - BEE And YOU

include bee pollen, royal jelly and propolis. Bee Pollen Bee pollen is the pollen gathered from plants by honey bees, and brought back to their hive. Bee pollen contains all of the eight essential amino acids in amounts that vary between five to seven times the level found in equal weights of traditional high protein foods.

Royal Jelly, Bee Propolis, Bee Pollen Supplements - Swanson®

Propolis is a resinous substance that is collected from a variety of plants by bees. Royal jelly is a thick, milky substance that is secreted by the worker bees to feed the queen and her larvae. Both propolis and royal jelly have a long history of medicinal use and can be consumed fresh or taken in supplement form.

Propolis Vs. Royal Jelly | Livestrong.com

It is commonly suggested when first trying bee pollen to begin with a single granule and gradually increase the dosage. Royal jelly readily spoils, so be sure to refrigerate or purchase stabilized royal jelly capsules. Since liquid royal jelly has a bitter aftertaste, combining it with some honey is an ideal way to consume it.

Bee Pollen, Honey, Propolis and Royal Jelly | Vitamins and ...

Royal Jelly Products. The Queen bee can live up to 40 times longer than the typical bee solely due to her diet of Royal Jelly. Contains protein, amino acids, vitamins, trace minerals, nucleic acids, phospholipids, and more. HIGH DESERT Royal Jelly comes in capsules, tablets, loose powder and liquid in honey.
