

***Better Feedback For Better Teaching A Practical Guide To
Improving Classroom Observations***

Better Feedback For Better Teaching

Better language teaching reveals information, ideas, and techniques for better, smoother, more exciting language classes.

Better Language Teaching

I've been trying to make sense of the evidence on feedback and to share what I've learned. This has proved challenging. Feedback can improve students' learning and performance "if delivered correctly", but the large body of research suffers from "many conflicting findings and no consistent pattern of results (Shute, 2008, pp.153-4)."

COPY THE MASTERS. As Teach Like a Champion trainings evolved, we began to understand more deeply that practice bridges the See It/Do It gap—the essential element that supports teachers from seeing and talking about a technique to executing it reliably and effectively in their classroom. Stretching beyond our own experience, we looked to masters in the art of practice outside of school classrooms.

Practice Perfect - Teach Like a Champion

We may not write such lengthy feedback: lengthy feedback is burdensome for teachers and makes it harder for students to understand and respond; the important thing is to remain conscious of opportunities to help students link feedback on one level with other levels, whether in written feedback, verbal comments, or whole-class teaching.. Conclusion ...
