Scientific racism (sometimes referred to as race biology), is the pseudoscientific belief that empirical evidence exists to support or justify racism (racial discrimination), racial inferiority, or racial superiority. Historically, scientific racist ideas received credence in the scientific community but are no longer considered scientific. Scientific racism employs anthropology (notably ...

Conservation biology is the management of nature and of Earth's biodiversity with the aim of protecting species, their habitats, and ecosystems from excessive rates of extinction and the erosion of biotic interactions. It is an interdisciplinary subject drawing on natural and social sciences, and the practice of natural resource management.: 478 The conservation ethic is based on the findings ...

Know Your Fats Butter is better for your brain! Yes, butter provides the brain with the nutrients it needs: Cholesterol: The highest concentration of cholesterol occurs in the brain, where it plays an especially important role in memory formation. Seniors with the highest cholesterol levels have the best memory function.

Know Your Fats Archives - The Weston A. Price Foundation

An individual with biomarker evidence of A β deposition alone (abnormal amyloid PET scan or low CSF A β 42 or A β 42 /A β 40 ratio) with a normal pathologic tau biomarker would be assigned the label "Alzheimer's pathologic change" (Table 2, Fig. 2, Text Box 1).The term "Alzheimer's disease" would be applied if biomarker evidence of both A β and pathologic tau was present (Table 2, Fig ...

and boring reference stuff.² "Boring" footnotes usually contain scientific citations from my giant bibliography of pain science. Many of them actually have pretty interesting notes. Example citation: Berman BM, Langevin HH, Witt CM, Dubner R. Acupuncture for Chronic Low Back Pain. N Engl J Med. 2010 Jul 29;(363):454-461.PubMed #20818865.

Introduction. The present work consists of two distinctly separate parts. Firstly, I cite some new experiments, completed since the appearance of my book which was submitted for printing in 1974 and which was published in 1975: Biological Evidence of Low Energy Transmutations (Maloine Publications, Paris, 1975). That book was concerned with a comprehensive view of a phenomenon which calls for ...

The depicted price-related paradigms are not comprehensive. Of course, price-related decisions and purchase processes are more complex, begin much earlier, and have further reaching consequences (Kotler, Keller, Brady, Goodman, & Hansen, 2009, p. 246). Furthermore, consumers do not solely base their purchase decision on price; the cost-performance-ratio is evaluated instead.

How are organic food prices affecting consumer behaviour ...
