Media. The history of various visual media has typically begun with black and white, and as technology improved, altered to color. However, there are exceptions to this rule, including black-and-white fine art photography, as well as many motion pictures and art films.. Motion pictures. Most early forms of motion pictures or film were black and white. Some color film processes, including hand ...

"Black and White" is a song written in 1954 by David I. Arkin and Earl Robinson. The most successful recording of the song was the pop version by Three Dog Night in 1972, when it reached number one on both the Billboard Hot 100 and Billboard Easy Listening charts. Billboard ranked it as the number 63 song for 1972. This was one of the few hits for Three Dog Night on which Danny Hutton sang the ...
