This book is a fun introduction to the stars for kids ages 3-7. The information is presented in a very simple way to make it accessible for young children. It explains what a star is, mentions a few constellations, and describes how you can tell the difference between a star and a planet in the night sky (hint: stars twinkle and planets do not).

Though "Twinkle, Twinkle, Little Star" and "The Alphabet Song" follow the same exact tune, never before has a children's book mashed up these two quintessential songs of childhood. The lyrics are seamlessly woven together and enriched with cameos by high-flying birds, a twirling cow, a growling bear, a banjo, and a tree swaying in the wind.
