Through story after story and mountains of statistics, Hobbes then documents a consistent and chilling trend among those who share his lifestyle. "Gay men everywhere, at every age," he writes, are two-to-ten-times more likely than heterosexual men to commit suicide. And that's just the beginning.

BreakPoint: The Silent Suffering of Gay Men

I've always been gay, but I've never been overtly effeminate. Coming from a family of several positive male role models, I never had to hide who I was, so I never did. Like everyone, I had heard the stories about men being "turned out" in prison. As I was being booked into Orleans Parish Prison in November of 2004, I realized I was a ...
