Breaking is an action where a martial artist uses a striking surface to break one or more objects using the skills honed in their art form.

Breaking (martial arts) - Wikipedia

Neither gain nor lose in some venture, recoup the amount one invested. For example, If the dealer sells five cars a week, he'll break even. This expression probably came from one or another card game (some authorities say it was faro), where it meant to bet that a card would win and lose an equal number of times.

Break even | Define Break even at Dictionary.com

To explore the effects of the wear between wire ropes on the fracture failure behaviour, the breaking tensile tests were carried out for all the wear-out rope samples using a universal tensile testing machine (ZCGD-W1000KN).

It is important to note that tissue damage may not outwardly appear as swelling or even pain. Submaximal micro trauma of tissue will cause inflammation that can result in a muscle spasm, where the individual will experience a feeling of tightness in the low back. Muscle spasms are born out of the inflammatory process and are a signal of significant tissue damage.
