Reforming Criminal Justice is a four-volume report meant to enlighten reform efforts in the United States with the research and analysis of leading academics. Broken down into individual chapters—each authored by a top scholar in the relevant field—the report covers dozens of topics within the areas of criminalization, policing, pretrial and trial processes, punishment, incarceration, and ...

Reforming Criminal Justice

Chronic oral anticoagulation frequently requires interruption for various reasons and durations. Whether or not to bridge with heparin or other anticoagulants is a common clinical dilemma. The evidence to inform decision making is limited, making current guidelines equivocal and imprecise. Moreover, indications for anticoagulation interruption may be unclear.

Bridging the Communication Gap Between Parents & Children

The College Vocational program is an individualized, supportive program that helps bridge the gap for students who have graduated from high school with workplace credits or an Ontario Secondary School Certificate and who are having difficulty finding appropriate and meaningful work.

Bridging Programs for Immigrants - George Brown College

Definitions and usage. The term digital divide describes a gap in terms of access to and usage of information and communication technology. It was traditionally considered to be a question of having or not having access, but with a global mobile phone penetration of over 95%, it is becoming a relative inequality between those who have more and less bandwidth and more or fewer skills.
