Read Online Business And Management Higher Level Paper 2

The HL business management research project is assessed against nine criteria that are related to the assessment objectives for the business management course. Criterion A refers to the research proposal, while criteria B–I are used to assess the written report.

IB Business Management Higher Level Internal Assessment

Middle management is the intermediate leadership level of a hierarchical organization, being subordinate to the senior management but above the lowest levels of operational staff. For example, operational supervisors may be considered middle management; they may also be categorized as non-management staff, depending upon the policy of the particular organization.
