Business Envelope Template

What is an Envelope? An envelope is the oldest and most commonly used packaging item which is normally made up of a very thin material. It is required to keep in light and compact stuff such as a card, letter, money or papers. If we compare the envelopes we find today with those which were in circulation in the earlier days, we will be able to see a considerable difference between them.

An envelope is a common packaging item, usually made of thin, flat material. It is designed to contain a flat object, such as a letter or card. Traditional envelopes are made from sheets of paper cut to one of three shapes: a rhombus, a short-arm cross or a kite. These shapes allow for the creation of the envelope structure by folding the sheet sides around a central rectangular area.
