AP's high school Biology course is a rigorous, college-level class that provides an opportunity to gain the skills and experience colleges recognize.

AP Biology - Students - AP Courses - The College Board

4 8 16 In the first call to the function, we only define the argument a, which is a mandatory, positional argument.In the second call, we define a and n, in the order they are defined in the function.Finally, in the third call, we define a as a positional argument, and n as a keyword argument.. If all of the arguments are optional, we can even call the function with no arguments.
