Cartoon Modern Style And Design

A cartoon is a type of illustration, possibly animated, typically in a non-realistic or semi-realistic style. The specific meaning has evolved over time, but the modern usage usually refers to either: an image or series of images intended for satire, caricature, or humor; or a motion picture that relies on a sequence of illustrations for its animation.

Introduction "Modern art" is a broad term which refers to art produced during the years 1870-1970. Some historians prefer to limit "modern art" to the 20th century, but, it is more customary to take Impressionism as the starting point, while the 1960s are usually seen as the transition between "modern art" and its successor "postmodernist art".
