This biography of Viscount Castlereagh, the main architect of the Act of Union of 1801 and much else besides, is a significant piece of work. John Bew is also a very good writer, though the book is far too long - it really should have been 50% shorter in order to stop the argument getting lost in the detail.

Hardly is a figure more maligned in British history than Robert Stewart, Viscount Castlereagh. One of the central figures of the Napoleonic Era and the man primarily responsible for fashioning Britain's strategy at the Congress of Vienna, Castlereagh was widely respected by the great powers of Europe and America, yet despised by his countrymen and those he sought to serve.
