The Central Bank of Kenya is an independent public institution that works to ensure stability in prices and promote economic growth.

Central Bank of Kenya

A central bank, reserve bank, or monetary authority is the institution that manages the currency, money supply, and interest rates of a state or formal monetary union, and oversees their commercial banking system. In contrast to a commercial bank, a central bank possesses a monopoly on increasing the monetary base in the state, and also generally controls the printing/coining of the national ...

About Central Bank- Central Bank: Des Moines Spirit Lake

Disasters hurt the poor and vulnerable the most. More than one-third of the world's poor live in multi-hazard zones, and low-income countries account for more than 70 percent of the world's disaster "hotspots." Mainstreaming disaster risk management into development planning can help lower the impact of disasters on property and lives.

Disaster Risk Management Overview - World Bank

The Central Bank of Ireland (Irish: Banc Ceannais na hÉireann) is the Republic of Ireland's central bank, and as such part of the European System of Central Banks (ESCB). It is the country's financial services regulator for most categories of financial firms. It was the issuer of Irish pound banknotes and coinage until the introduction of the euro currency, and now provides this service for ...
