

Chapter 15 Darwin S Theory Of Evolution Vocabulary Review

Chapter 15 Darwin S Theory

Start studying Darwin's Theory of Evolution - Chapter 15. Learn vocabulary, terms, and more with flashcards, games, and other study tools.

Darwin's Theory of Evolution - Chapter 15 Flashcards | Quizlet

Darwin's theory was that species now living on different continents had each descended from different ancestors. However, because some animals on each continent were living under similar ecological conditions, they were exposed to similar pressures of natural selection and ended up evolving features in common. ...
