Chapter 27 Postwar America

When he became President upon Franklin D. Roosevelt's death in 1945, few believed in Harry Truman's ability to govern. But it was Truman's common sense approach that helped the U.S. end World War II and move on to tackle postwar challenges. Euphoria. When Japan surrendered to the Allies at the end ...

A membership card for the American Protective League, issued May 28, 1918. German immigrants in the United States aroused popular suspicions during World War I and the American Protective League (APL), a group of private citizens, worked directly with the U.S. government to identify suspected German sympathizers and to eradicate all antiwar and politically radical activities through ...

In the 1920s, the combination of industrialization, changes in social mores and attitudes, exposure in mainstream America to African-American culture and music, and the advent of Prohibition resulted in dramatic changes in American culture over a very short course of time. It was truly a decade that roared.

The Allied occupation of Japan at the end of World War II was led by General Douglas MacArthur, the Supreme Commander of the Allied Powers, with support from the British Commonwealth. Unlike in the occupation of Germany, the Soviet Union was allowed little to no influence over Japan. This foreign presence marks the only time in Japan's history that it has been occupied by a foreign power.

The Reconstruction era was the period from 1863 to 1877 in American history. It was a significant chapter in the history of American civil rights, which was tragically cancelled by racist "Redeemers" beginning in the 1870s.. The term has two applications: the first applies to the complete history of the entire country from 1865 to 1877 following the American Civil War; the second, to the ...

No issue ignited the partisan divide in postwar America more than the nationwide labor strikes of 1919-1921. The "labor vs. capital" battle pitted industrial workers who demanded higher wages in the postwar inflation economy against the industrialists who rejected unions as the product of foreign-inspired anarchist and Bolshevik (Communist) agitators.
