Clarity Affirmations Positive Daily Affirmations

Daily affirmations are simple, positive statements declaring specific goals in their completed states. Although they sound rather basic at that level, these empowering mantras have profound effects on the conscious and unconscious mind. Affirmations also hold a key to unlocking the Law of Attraction ...

Daily Affirmations for Success - Examples & Tips | Jack ...

by Louise Hay. The book is about self-healing through the use of positive affirmations that correspond with different illnesses and ailments. I was intrigued by the book at the time, but also skeptical about Ms. Hay's claims that our thoughts and lack of self-love contribute to disease and that positive affirmations can help heal us.

How to Stay Positive - How to Think Positive

It's easy to imagine that wealthy people share common traits like living below their means and investing wisely. But as Certified Financial Planner and author Tom Corley—who spent five years studying the differences between 233 rich people and 128 poor people—learned, the habits of successful people extend well beyond the obvious financial moves.

Forgiveness Exercise. Holding on to grudges and complaints sucks out our inner peace and prosperity. A beautiful positive psychology intervention that we can follow as a daily practice and imbibe into our personality is the art of forgiving.. This exercise helps us to free ourselves from past resentments and focus on life in a brand new way.
