Classroom Management Strategies ... - teachervision.com

What is Classroom Management? It's effective discipline It's being prepared for class It's motivating your students It's providing a safe, comfortable learning environment It's building your students' self esteem It's being creative and imaginative in daily lessons And

Classroom Management Strategies - Utah State University

The year I started teaching seventh- to twelfth-grade English in Minneapolis, Prince launched his song about urban ruin, "Sign o' the Times." That song was an apt musical backdrop for the lives of my students, most of whom lived in poverty and challenged me daily. Fortunately, classroom order improved when I learned that successful classroom management depends on conscientiously executing a ...
