Background. As war with the Boer republics appeared likely in June 1899, the War Office in Britain dispatched a total of 15,000 troops to Natal, expecting that if war broke out they would be capable of defending the colony until reinforcements could be mobilized and sent to South Africa by steamship. Some of these troops were diverted while returning to Britain from India, others were sent from ...

The genus Cullen in the Fabaceae was published in 1787 by German physician and botanist Friedrich Kasimir Medikus. (Hugh Clarke) Cullumia: there is a slight uncertainty about who this genus was named for. Almost certainly it was intended by the author, Robert Brown, to honor Thomas Gery Cullum (1741-1831), a medical practitioner and surgeon, member of both the Royal and Linnean Societies, and ...
