Be careful Although most comic books hold little value, many are worth thousands of dollars."Bad actors" will use various tactics like old paper price guides to value your collection. GoCollect is a respected, current, online price guide.

### **Comic Book Price Guide - GoCollect**

Comic book price guides, like Overstreet, have a MINIMUM price for comic books. This minimum reflects a handling fee. In other words, it takes a dealer time to sort, bag, board and price any comic book. The minimum price is not a real reflection of market value. When the Price Guide is Unfair to Sellers

### **Comic Book Price Guides: What is YOUR Comic Book Worth?**

Comic book price guides are generally monthly, quarterly, or yearly publications which detail the changes in the resale value of a comic over a period of time. Price guides are also important tools for collectors looking to sell their collection or determine their collection's worth for insurance purposes.

The Standard Catalog of Comic Books . The First Edition of the Standard Catalog came from an idea I had in 1996. With lots of original sales figures for comic books coming into our offices from the "Circulation Scavenger Hunt" in Comics Buyer's Guide — and with historical records from the close of Capital City Distribution — the idea of having a single resource for information known ...
