ProServ South Africa is a Professional Services Company, offering high-quality, sustainable Skills Development Solutions in Southern Africa. We believe that lifelong learning and continuous professional development build the capabilities of both citizens and society.

ProServ South Africa - Education & Training

How it works is that there are 10 levels of learning achievement, and every registered South African qualification needs to specify its NQF level - basically, what it will teach the student and enable him or her to do in terms of acquired skills.. The NQF focuses on a list of 'applied competencies,' so each NQF level signifies a specific standard of intellectual and academic skills ...
