Edward Said On Orientalism Media

Edward Wadie Said was born on 1 November 1935, to Hilda Said and Wadie Said, a businessman in Jerusalem, then part of British-governed Mandatory Palestine (1920–48). Wadie Said was a Palestinian man who soldiered in the U.S. Army component of the American Expeditionary Forces (1917–19), commanded by General John J. Pershing, in the First World War (1914–18).

Orientalism is a 1978 book by Edward W. Said, in which the author discusses Orientalism, defined as the West's patronizing representations of "The East"—the societies and peoples who inhabit the places of Asia, North Africa, and the Middle East. According to Said, orientalism (the Western scholarship about the Eastern World) is inextricably tied to the imperialist societies who produced it ...

Turner took an interest in the second phase of Van Gennep's model - that of liminality. Liminality, in terms of social structure and time, is an intermediate state of being "in between" in which individuals are stripped from their usual identity and their constituting social differences while being on the verge of personal or social transformation.

Misc thoughts, memories, proto-essays, musings, etc. The most recent SEP entry on logical empiricism really reinforces how much America benefited from WWII and the diaspora of logicians, mathematicians, philosophers and geniuses of every stripe from Europe (something I've remarked on while reading academic biographies). You can trace back so much in just computing alone to all of their work!
