Edward Henry Weston was born March 24, 1886, in Highland Park, Illinois. He spent most of his childhood in Chicago where he attended Oakland Grammar School.

Edward Weston - edward-weston.com

Edward Weston was renowned as one of the masters of 20th century photography. His legacy includes several thousand carefully composed, superbly printed photographs, which have influenced photographers around the world.

Edward Weston Biography of Edward Weston

Pepper No. 30 is one of the best-known photographs taken by Edward Weston. It depicts a solitary green pepper in rich black-and-white tones, with strong illumination from above. In the late 1920s Weston began taking a series of close-up images of different objects that he called "still lifes". For several years he experimented with a variety of images of shells, vegetables and fruits, and in ...

EDWARD VI, King of England and Ireland, born at Greenwich. on the 12th of October 1537, was the only child of Henry VIII by his third wife, Jane Seymour, who died of puerperal fever twelve days later. The story that the mother's life was deliberately sacrificed by the performance of Caesarean section is unfounded, although Jane's death was little noticed amid the rejoicings which greeted the ...

Jane Austen began to write Emma in January of 1814 and finished it a little over a year later, in March of 1815. At the time of completion, Austen was thirty-nine years old. Emma was published at the end of 1815, with 2,000 copies being printed—563, more than a quarter, were still unsold after four years. She earned less than forty pounds from the book during her lifetime, though it earned ...
