Amazon.com: Customer reviews: Engineering with Excel (4th ...

The Engineering with Excel text has been updated to reflect the latest versions of Excel and Windows (Excel 2010 operating in Windows 7). Changes from Excel 2007 to Excel 2010 can be described as refinement rather than major changes, but certain changes, such as the elimination of the Office button, have changed the way you use the program and the text has been updated to reflect the new approach.
