Keith has been using the Epson P5000 printer for several months, both for this review, and as his day to day printer. Not long after getting the printer, Keith wrote up a detailed P5000 installation and setup guide, which if you have just got the printer, would be the best place to start.. This review covers some aspects of setup, but in nowhere near as much detail as Keith's setup guide.

The Epson V700/ V750 film holder height adjustment is a bit coarse and involves fiddling with small plastic feets that can be used to get 3 different heights. This doesn't give you the best options since the optimal focus might be in between two of those settings (As in my case with 35mm framed slides).
