An academic journal's prestige is established over time, and can reflect many factors, some but not all of which are expressible quantitatively. In each academic discipline, there are dominant journals that receive the largest number of submissions, and therefore can be selective in choosing their

content. Yet, not only the largest journals are of excellent quality.

My state (ND) doesn't require that a journal be kept. However, in case any notarization is ever called into question I keep one. However, to protect everyone's privacy I keep a "loose" page journal so that if ever proof of notarization and verification of ID is required only the information about the specific person(s) or specific notarization (for repeat customers) is made available.
