The primary purpose of the College of Inner Awareness, Metaphysical Studies and Spiritual Studies is to train and educate prospective leaders for metaphysical ministries and schools through Distant-Learning or On-campus Training.

College of Inner Awareness, Metaphysical Studies and ...

The inner child is the part in your psyche that still retains its innocence, creativity, awe, and wonder toward life. Quite literally, your inner child is the child that lives within you - within your psyche that is. It is important that we stay connected with this sensitive part of ourselves.

25 Signs You Have a Wounded Inner Child * LonerWolf

Figure 1: Hypothesized pathways to the mental, physical, social and behavioral health outcomes from experiences of nature explored in this study, based on the framework outlined by Shanahan et al. 22.

Health Benefits from Nature Experiences Depend on Dose ...

In positive psychology, a flow state, also known colloquially as being in the zone, is the mental state of operation in which a person performing an activity is fully immersed in a feeling of energized focus, full involvement, and enjoyment in the process of the activity. In essence, flow is characterized by complete absorption in what one does, and a resulting loss in one's sense of space and ...

Flow (psychology) - Wikipedia

Abstract: The emerging science of evolutionary developmental ("evo devo") biology can aid us in thinking about our universe as both an evolutionary system, where most processes are unpredictable and creative, and a developmental system, where a special few processes are predictable and constrained to produce far-future-specific emergent order, just as we see in the common developmental ...

The Transcension Hypothesis, John M. Smart, 2011

Discover why it's essential to bring the very best of yourself to the art of teaching.; Explore the implications of integral education as a personal practice — and what this means for you at this point in your journey.; Learn approaches and frameworks for making teaching the most fulfilling, sustainable experience it can be — now, and for years to come.

Integral Education :: The Art of Integral Education

Like many other researchers, I propose that these "voices" in us belong to a real inner family or team of semi-independent personality "parts" or subselves. They can learn to be peaceful, cooperative, and highly productive in astonishing ways.

A brief history of our dynamic inner family of subselves ...

This is our selection of exciting, unique and special day tours in Cape Town and the Western Cape. KAYAK IN A ...

New Experiences: 19 Day Tours For Exploring The Cape

I am interested in the ways that the art-making process reveals effective methods and tools for navigating the life-making process. The messages include and are not limited to: staying open to the unknown, staying with the ugly stages of a painting (and of life), being curious and exploratory, relishing in beauty and harmony, risking, and knowing when to stop.
