Marxism - Marxism - Class struggle: Marx inherited the ideas of class and class struggle from utopian socialism and the theories of Henri de Saint-Simon. These had been given substance by the writings of French historians such as Adolphe Thiers and François Guizot on the French Revolution of 1789. But unlike the French historians, Marx made class struggle the central fact of social evolution.

Struggle for a constitution. Like the old revolutionary States-General, the new National Assembly contained radically opposed parties: the unitary democrats, led by Pieter Vreede, Johan Valckenaer and Pieter Paulus, and the federalists, such as Jacob Abraham de Mist and Gerard Willem van Marle. But there was a broad continuum of opinion between ...
