

## *Fun With Modeling Clay*

### **Fun With Modeling Clay**

I made this recipe with our ENCORE (after-school) Program ☐☐ it worked wonderfully - the only thing we did was ADD Multi-Colored Glitter to the Dough (about 1/3 to 1/4C Total) and it was awesome - even when the kids colored the dough with crayola markers ☐☐ the sparkel shined through and gave it a sparkel too ☐☐ was fun - the kids loved this project ☐☐ and we'll definately ...

Creative Paperclay® is a unique air hardening modeling material that requires no firing in a kiln or baking in an oven. It is clean, odorless and easy to use. It feels similar to an earthen clay; however, it contains no clay in it at all! It can be sculpted, molded or shaped while it's moist and it accepts and retains fine details.

### **Creative Paperclay Product Information**

Rated 5 out of 5 by AreKay from Nice & Soft - Easy for a Beginner I've never used clay before, but I wanted to try some painted pins. I've only used the white clay, but it was really easy to work with and has a lot of good resources online for tips on how to bake it and work with it.
