MIBS 2018 saw the manufacturers putting the multi in MFD, with Garmin and Raymarine each introducing multiple new multifunction app and app-like display integrations interfacing to all sorts of third party boat systems, plus consumer electronics gadgets and online services -- actually every single brand seen below, with lots more likely coming.

Raymarine MFD apps three ways: from drone control to sat ...

Mergers and acquisitions (M&A) are transactions in which the ownership of companies, other business organizations, or their operating units are transferred or consolidated with other entities. As an aspect of strategic management, M&A can allow enterprises to grow or downsize, and change the nature of their business or competitive position.. From a legal point of view, a merger is a legal ...
