Genetic Resources And Traditional Knowledge

Traditional knowledge (TK) is a living body of knowledge passed on from generation to generation within a community. It often forms part of a people's cultural and spiritual identity.

Traditional Knowledge - wipo.int

Traditional knowledge and intellectual property. Innovations based on TK may benefit from patent, trademark, and geographical indication protection, or be protected as a trade secret or confidential information. However, traditional knowledge as such - knowledge that has ancient roots and is often oral - is not protected by conventional intellectual property (IP) systems.

Traditional Knowledge - wipo.int

Traditional knowledge, indigenous knowledge and local knowledge generally refer to knowledge systems embedded in the cultural traditions of regional, indigenous, or local communities.

Traditional knowledge includes types of knowledge about traditional technologies of subsistence (e.g. tools and techniques for hunting or agriculture), midwifery, ethnobotany and ecological knowledge, traditional ...

Mapuche (Mapudungun; Che, "People" + Mapu, "of the land") are the Indigenous inhabitants of Central and Southern Chile and Southern Argentina. They were known as Araucanos (Araucanians) by the Spaniards but this is now considered pejorative by the people, and the term Mapuche is the one most often used by people in conversation and in the media in Chile and Argentina.
