Percy is a green saddle tank engine who was brought to Sodor to help run the railway during the big engines' strike. He is one of the youngest engines on the North Western Railway and is quite cheeky, often getting himself into trouble with his attempts to play tricks on the other engines. Percy's favourite job is to deliver the mail, and he works on Thomas' Branch Line as a goods engine.

Thomas The Tank Engine chronicles the story of strange, sentient trains and their valiant efforts to create a blissful locomotive utopia. Or at least, that's what you'd think if you never watched the show. You see, behind the facade of a cute little show meant for toddlers is a dark reality that only those who spend ample time on the Island of Sodor are able to see.
