GTD Setup Guides - Getting Things Done®

Getting Things Done, or GTD for short, is a popular task management system created by productivity consultant David Allen. The methodology is based on a simple truth: The more information bouncing around inside your head, the harder it is to decide what needs attention.

Getting Things Done: Your Step-By-Step Guide to Getting ...

The GTD system simply takes all or our mental and physical "stuff" in our lives and organizes it into a system where we can easily: 1) Act on it or. 2) Store it and retrieve it later. The GTD Cheatsheet is a small, condensed version of GTD.

GTD Cheatsheet | LifeDev

When used properly, GTD is a foolproof system that helps you take your vague ideas, whims, inspirations, and late night musings, and turn them into actions. The idea is that once you trust your system, your brain will stop trying to keep track of everything, thus reducing stress and freeing up brain-power for more productive things.
