Love guided reading!! Our school is so big on it and we use Literacy Collaborative and guided reading is one of the five parts. I try and send home as much better information as possible to my parents that include their child's reading level, suggestions to improve, comprehension questions, etc.

Guided Reading for Parents - Just A Primary Girl

Do you know your child's reading level? Hopefully your child's teachers conducted running records, you've had an opportunity to discuss reading benchmarking at parent-teacher conferences, and you have a good idea as to the level that is "Just Right" for your child. So what exactly do the different levels represent? Here is a general guide to the Levels, A through Z:

A Guide For Parents To Guided Reading Levels

Guided reading explained. Children will be divided into ability groups, according to their reading levels. The teacher will choose a set of books for the group she or he is reading with, that is appropriate to their level. Generally, teachers need to think about two things when carrying out a guided reading session: decoding and comprehension.

Guided reading explained for primary-school parents ...

Make reading in small groups easier with a reading strategy checklist. Here is a free checklist I've made for guided reading groups to communicate what I'm seeing with kindergarten parents. When reading with small groups, documenting what strategies students try is a great way to both informally assess and help guide your own planning.
