An overall "motivation to succeed" score [s0motsuc] is computed from the six items (s0sch40 through s0sch45). This score represents the mean of the scale items, after items s0sch42 through s0sch45 are recoded. A higher score indicates more optimism regarding future success.

Motivation to Succeed - Subject Baseline

This study examined the relationship between children's preschool social and emotional development and their academic success in primary school. There were 96 children from Pristine participating in the study, 28 of them in the first grade, 32 in the second grade, 15 in the third grade and 21 in the fourth grade.
