Handbook of Research on Educational Communication ...

"If a student researcher had only one handbook on their bookshelf, Miller and Salkind's Handbook would certainly have to be it. With the updated material, the addition of the section on ethical issues (which is so well done that I'm recommending it to the departmental representative to the university IRB), and a new Part 4 on qualitative methods, the new Handbook is an indispensable ...

Handbook of Research Design and Social Measurement ...

Handbook of Research on Educational Communications and Technology. His recent research is in the areas of intelligent support for instructional design, system dynamics based learning environments, assessing learning in complex domains, distance learning, and technology integration in education.

Handbook of Research on Educational Communications and ...

The Handbook of Research on NGOs features contributions from Peter Willetts, Tom Davies, Bob Reinalda, Jutta Joachim and other key international authors. It provides readers with a series of thought provoking essays on both the general aspects of NGOs and significant issues of particular concern.

Handbook of Research on NGOs - e-elgar.com

The earliest chapters in the handbook address the broadest questions related to research designs. These involve both (a) which research designs are most appropriate for which question; and (b) how to think about the ethicality and feasibility of the designs that address the question and the measures available.
