IEEE JobSite is a searchable database containing a comprehensive listing of jobs in the electrical, electronic, engineering, and computer-related fields. For listings specific to control systems, please see here . IEEE resumeLab is an online service that allows IEEE members to develop a resume or CV. You can also perform mock interviews using over 900 potential interview questions.

Careers/Jobs | IEEE Control Systems Society

Affective computing (sometimes called artificial emotional intelligence, or emotion AI) is the study and development of systems and devices that can recognize, interpret, process, and simulate human affects. It is an interdisciplinary field spanning computer science, psychology, and cognitive science. While the origins of the field may be traced as far back as to early philosophical inquiries ...

Courses offered by the Department of Computer Science are listed under the subject code CS on the Stanford Bulletin's ExploreCourses web site.. The Department of Computer Science (CS)

operates and supports computing facilities for departmental education, research, and administration needs.

Computer Science | Stanford University

Computer Vision Scientist microsoft | Redmond, Washington, United States. We in Computer Vision at Microsoft are at the frontier of creating technologies with Vision & AI that use Scene, Object and Human Understanding with computational frameworks spanning Intelligent Devices, such as Holograms and Smartphones, and an Intelligent Cloud for ubiquitous intelligence.
