Installation Instructions; Note. It is possible to overload your motorcycle's charging system by adding too many electrical accessories. If your combined electrical accessories operating at any one time consume more electrical current than your vehicle's charging system can produce, the electrical consumption can discharge the battery and cause vehicle electrical system damage.

Touring Models - DOT 4 or 5 brake fluid? - My brother purchased a used 2005 Road King. Both his owners manual and the master cylinder caps say to use DOT 4 brake fluid and when he recently added some DOT 4 the seals started going bad in his rear master cylinder. My 2001 Road King and most others I've seen up to 2009...
